GITARREN-GRIFFTABELLE FÜR LINKSHÄNDER

C⁷

VIII.

VIII.

Detailed description: A guitar chord diagram for C7. The diagram shows a six-string guitar with six vertical fret lines. The strings are numbered 1 to 4 from top to bottom. Fingerings are indicated by numbers in circles: 1 on the 1st fret of the 1st string, 2 on the 2nd fret of the 2nd string, 3 on the 3rd fret of the 3rd string, and 4 on the 4th fret of the 4th string. The 5th and 6th strings are muted, indicated by a thick grey vertical bar on the right side of the diagram. The label 'C⁷' is in a box above the diagram, and 'VIII.' appears twice, once on the right and once below the diagram.

C^o

II.

II.

Detailed description: A guitar chord diagram for C° (C minor). The diagram shows a six-string guitar with six vertical fret lines. The strings are numbered 1 to 4 from top to bottom. Fingerings are indicated by numbers in circles: 1 on the 1st fret of the 1st string, 2 on the 2nd fret of the 2nd string, 3 on the 3rd fret of the 3rd string, and 4 on the 4th fret of the 4th string. The 5th and 6th strings are muted, indicated by 'X' marks at the end of each string. The label 'C^o' is in a box above the diagram, and 'II.' appears twice, once on the right and once below the diagram.

C⁺

VIII.

VIII.

Detailed description: A guitar chord diagram for C+ (C major add9). The diagram shows a six-string guitar with six vertical fret lines. The strings are numbered 1 to 4 from top to bottom. Fingerings are indicated by numbers in circles: 1 on the 1st fret of the 1st string, 2 on the 2nd fret of the 2nd string, 3 on the 3rd fret of the 3rd string, and 4 on the 4th fret of the 4th string. The 5th and 6th strings are muted, indicated by 'X' marks at the end of each string. The label 'C⁺' is in a box above the diagram, and 'VIII.' appears twice, once on the right and once below the diagram.
